To Whom It May Concern,

With immense pleasure, I am writing this to recommend, **Ms. Anjali Kaushik**. I have known her in my capacity from **11th February 2021 to 11th April 2021** and she successfully completed this remote internship as a Machine Learning Intern at Technocolabs, Indore. During the internship, she was found to be proactive, punctual, and inquisitive who demonstrated a good work ethic and interpersonal skills. **Ms. Anjali Kaushik** carried out all the tasks that were assigned by the company and she made sure to put in extra hours of effort and completed the work within the mentioned deadlines.

Our team grouped her up with few other interns to complete the company's major project and we found out that **Ms. Anjali Kaushik** exhibited profound team management and communication skills that helped her throughout the completion of the project. Besides this, she gained experience in numerous concepts in Machine Learning that enhanced her existing skill set. I am impressed by her professionalism and dedication. I definitely believe that she would be an excellent fit and will bring great laurels to any university or company that she applies to, in the near future.

We wish **Ms. Anjali Kaushik** all the very best and success in her future endeavors.
